Dear Company Director/ Gym Manager

We are a service, maintenance and repair company who specialise in the optimum performance of your gym and fitness equipment.

Our dedicated team of engineers have a wealth of experience in the servicing of fitness equipment. As a team we have carried out gym installations and removal of old equipment. All this with the minimum of down time for your gym.

We can offer you a considerable saving over both OEM and other service provider contracts in the fitness industry.

Our regular servicing and maintenance ensures that your equipment lasts longer, reduces the likely hood of any breakdowns and any unnecessary replacement of expensive parts.

Saving you money and keeping your customers happy.

Regular servicing also ensures that you are compliant with the Health & Safety at work Act.

For a competitive quote, please contact us on [Service@FitServe.co.uk](mailto:Service@FitServe.co.uk) .

Kind Regards  
FitServe
